Hen Party at Henley Green, November 2019. Catered by The Happy Hens to raise money for a composting bank to sustain our own rich soil quality, in partnership with Riverside Pre School students and Hen Volunteers. 80+ attendees raised \$2,500 towards composting products

Community engagement
in 2019 at
Moocooboola, Groovin'
Grassroots with Greater
Landcare and Lane
Cove Sustainability Lane
helping connect more
volunteers with The
Hens

Collaboration in 2019 with UTS Design and MBA students for rebranding and and strategic planning sessions

IBM corporate volunteers joined us at Henley Green to learn and to give back

Sharing Henley with the fabulous Boomerang Bags each month. Royal Rehab clients and others love making these very handy reuseable bags from recycled materials

Partnering with likeminded groups for preschooler activities

"Sad Boats to Happy Boats"
The Happy Hen's 2020
project
to partner with Community
Migrant Resource Centre
and Hunters Hill Bushcare
to adapt and reuse
unwanted dinghys' at
Henley

"Love Gladesville"
project
partnering with
Hunters Hill
Council in 2019/20 to
adapt and
reuse old and tired
planter
boxes in Gladesville
Town Centre

Our daily partners, Riverside Preschool students, learning about growing edible plants and keeping chickens

Henley Green hosts a hive of Native Stingless Bees to improve pollination across Hunters Hill

Our Hen Men reusing pallet wood for use in the garden

Henley Green - a place to share and enjoy. Thank you Hunters Hill Council!
